

September 5, 2024

To Whom It May Concern,

My name is Derek Games. I am the Head Coach of the varsity esports program at Marietta College in Marietta, OH. I am excited to announce that we are awarding scholarships to participate in our program. Any graduating high school senior who is interested in attending Marietta College in the fall of 2025 may be eligible to receive up to an additional \$2,000 per year in scholarships by competing in any of our varsity titles below:

League of Legends	Rocket League
Overwatch 2	Fortnite
Valorant	Super Smash Bros. Ultimate
Rainbow Six: Siege	

In order to receive one of our esports scholarships, we ask that interested students participate in one of our scholarship tryouts. Attached to this letter is a poster that lists the dates when we will be hosting both in-person and virtual scholarship tryouts. The in-person scholarship tryouts are in conjunction with our Admissions Open House events. Your students will have the opportunity to visit our campus, learn more about what Marietta College has to offer, and then try out for a scholarship at our Esports Center at the conclusion of the Open House.

If your students are unable to visit our campus, we also offer virtual scholarship tryouts on our Discord server at <https://bit.ly/PioDiscord>. The virtual tryouts can be scheduled at any time that is convenient for your students' schedules. If any of your graduating seniors are interested in trying for an esports scholarship, we ask that they fill out our online Recruitment Inquiry form at <https://bit.ly/MCRecruit> and our online Scholarship Tryout form at <https://bit.ly/mcesporttryout>.

We hope that you will share this information with your students by putting up the attached poster in your school. All the essential information for your students is available there. If you or your students have any questions, you are more than welcome to reach out to me. My contact information is provided in both the poster and this letter. Also, if your school has an esports club or team and would like to schedule a day to talk to us about our esports program, we would be more than happy to arrange an in-person or virtual visit.

Sincerely,

Derek Games
